Dear Greg and Kathy,

I would like to thank you for the *GREAT JOB* you did on our carpets. I was first impressed as I watched the job you did out at Crossroads Church's hospitality room. I couldn't believe how well the carpet came out and that is why I asked you to come clean our carpets. Janice and I had had the carpet's steam cleaned about a year ago but they were unable to get out a lot of the stains. This was not the case with CLEANPRO. You not only got out a lot of the stains that the other steam cleaners couldn't, but you brought our carpets back to life. Janice and I were dreading the fact we would probably have to buy new carpets in the real near future; however, after you finished cleaning our carpets we feel we will be able to put that expense off for several years.

I have recommended you to my whole family. Several who have already contacted you about doing their carpets. I also have been telling lots of other people how great this system is, and the not having to wait several days to let the carpet dry or have fans blowing all day and night was an added pleasure.

I would just like to say "thanks" for a great job. If you ever need a reference on how well your system works, both Janice and I would be happy to give anyone the advise to have their carpets done by CLEANPRO as I know they would not be disappointed.

Thanks again,

Ted & Janice Rinehart
